Important Information from WSCC

Dear Parents / Carers,

We have been contacted by West Sussex County Council Education Service to hold a meeting on **Tuesday 14th May** in School between **3.30 – 4.15pm in the school hall**

This meeting will only be for parents and carers of pupils at our school and will allow the Education Team (Lucy Butler, Director of Childrens Services; Claire Hayes, Assistant Director of Education & Skills; and Graham Olway, Head of Organisation & Planning) to give you an update on the proposals affecting both St Anthony's & Jessie Younghusband and for you to ask questions and give your views on the proposals to the County Council officers.

We will be putting on childcare provision for JYS pupils only, for parents who would like to attend. This will be a film managed by school staff across classrooms. If you would like to book a space for your child, please use the 'clubs' section of the Bromcom MCAS app. We will accommodate as many as is feasible.

I would like to remind you that the County Council has published statutory proposals for the relocation of Jessie Younghusband Primary School and the expansion of St Anthony's School into the buildings vacated and this consultation closes on 16th May. I would encourage you to respond as appropriate. Details can be found by using the link button below:

This Week

On Saturday, our squad swam brilliantly in the Cormorant's Chichester Schools swimming gala and we are proud to let you know that they came second. The children who are not in Year 6 (we had pupils from Years 3, 4, 5 and 6) are determined to win next year, as they have their hearts set on throwing Mr Neaves in the pool if they win!

On Tuesday, Year R took full advantage of the sunny weather and in the morning they headed outside. Whilst some of the children were making beautiful "sticky pictures" (where they were placing items that they found in the grounds on to a framed piece of sticky-back plastic), Mrs Cockman was showing the others how to plant potatoes. Although both activities were clearly very exciting, most of the children enjoyed the potato planting the most!

House Points

Children earn house points for different things throughout the week, and here are the weekly results:

	This week	Term Total (Since Apr '24)	Year Total (Since Sept '23)
Ash	91	311	2610
Beech	71	254	2471
Maple	81	394	2844
Oak	89	364	2604
